## Increase in Company Fleet

PFL have recently added two new vehicles to our private fleet of trucks.

The new additions have enabled us provide a more comprehensive and personal service to our customers in the south and west of the country.

Contessa Plad  
Walnut/Stone

**Look out for the new**  
*Contessa* **designs**

Sixteen stocked new colourways including 4 new natural plad designs have been added this Autumn to the stylish Contessa broadloom collection.

With such a wide selection of patterns from traditional to modern now available in this collection, all ex-stock in a 4m width, there is sure to be something to tempt your customer without concern for delay or quality.

Your local area representative to be calling on you shortly to update your POS display or you can give us a call and we will send your samples directly.

**Two** new carpet ranges were introduced by Cormar Carpets earlier this year - the newly refreshed twist pile **Oaklands Collection 50** with a choice of 20 home furnishing shades, 9 of them new in 80% wool 10% nylon 10% PP and **Boucle Neutrals** a wool rich loop pile carpet in three designs in contemporary neutral shades, made from 50% New Zealand Wool, 50% Polyester. Both ranges are suitable for extra heavy domestic and medium commercial use and are available ex-stock from PFL for quick delivery bringing the total number of Cormar Carpet ranges available ex-stock to seven.

## Just Launched 'Soft Focus'

Cormar Carpets introduced the new luxury ultra soft deep pile easy clean carpet **Soft Focus** at the Flooring show in Harrogate in September.

**Soft Focus** is manufactured from 100% Finesse polypropylene for a finer softer look using two fold yarn with increased filaments for a luxurious silky feel. it is available in 13 plain shades from a neutral palette of greys and beiges. **Soft Focus** will be available to order ex-stock from PFL.

**Brand New  
Camaro Collection**

Polyflor's luxury vinyl tile collection **Camaro** has been updated to meet current interior trends. This exciting new range consists of 30 shades including 18 beautifully replicated wood designs and 12 stunningly detailed stone and man made material designs all created to offer a distinctive look whilst complementing a variety of residential and light commercial interiors. The new **Camaro** collection also features two out-of-the-box parquet wood effect flooring solutions and a salvaged timber mixed format design without the need for additional cutting. The new collection is in stock now and available at the same price point as the original collection. Sampling and brochures can be ordered through any PFL office.
